

BADMINTON

- **Each game is played to 21 points**
- A player wins a game by reaching 21 points, with at least 2-point lead
- At 20-20, play continues until one player leads by 2 points (max score: 30)
- At 29-29, the player who scores the 30th point wins the game
- A coin toss decides who serves first
- Server must stand inside the right service court to begin
- Serve must be underhand and below waist height
- Shuttle must go diagonally to the opponent's service court
- A point is lost if / Shuttle is served above waist or not underhand / Shuttle lands outside the court / Player touches the net with racket or body / Shuttle is hit twice before returning / Player obstructs opponent or invades their court
- **No Argument with the REFEREE, if it is followed then that Player will be DISQUALIFIED from the Tournament.**
